Form for Medical Declaration for Seated Patient Transport

Explanation

With this form, you can apply for permission for seated patient transport.

First application

Please mark with a cross whether this is a first application or an extension.

Extension application

Enter your personal details first and then have your GP or medical specialist complete his/her part.

Check that everything is filled in and that both your and your doctor's or medical specialist's signatures are present. We only accept fully completed and signed forms. Then send the form to us. You will then receive a written approval or rejection from us.

You can find the address at the top and bottom of this form.

Based on the information on this form, Aevitae will determine whether there is a right to seated patient transport, and if so, to what means of transport and to what duration and frequency. You will receive an authorisation or rejection in writing.

Aevitae retains the right to perform checks on the transport. If the transport is reimbursed unjustly, then based on the stipulations of the Netherlands Civil Code, proceedings will be started in principle to recover the sum paid unjustly.
