

## Cover overview 2021

### Supplementary insurances Basic, Plus and Extra Pakket

This overview of reimbursements is intended to help you compare the various policies. The overview gives a general description of the care to which you are entitled. No rights can be derived from this overview. The policy conditions may contain further terms and conditions relating to coverage. Also, a limitation of the reimbursement may apply, such as when you make use of a non-contracted care provider.

For a complete overview, we recommend that you consult your policy conditions. These will always take precedence. Have a question? Feel free to call us on 088 35 35 763 (from the Netherlands) or 0031 88 35 35 763 (from outside of the Netherlands). We will be happy to help you.
